For Such a Time as This-GDVA/ABCNJ Event

The GDVA and ABCNJ invite you to a special evening of reflection, discussion and prayer concerning the challenge of the Church to be an effective witness for Jesus Christ amidst the cultural and political climate of our times. The event will be on **Oct. 13th**, at 7pm at the **First Baptist Church of Collingswood** (23 Frazier Ave. Collingswood, NJ). Please come and share in this special time together with your family in Christ from your sister GDVA and ABCNJ churches.

Praying for our Public Servants

You are invited to show your support for our Police, Fire and other public servants at an Ecumenical Prayer Gathering on **Friday, Sept. 16 at 7pm outside the Fire Hall**. In light of all the racial injustice and police violence, we want to pray into our conviction that all lives matter.

Next Sunday

Next Sunday, Sept. 11, we are excited to kick our fall program for Youth and Children's Ministries. On Sunday mornings we offer nursery (ages 0-3) and Buddy Bunch (Ages 4-5) during Sunday morning worship and we offer Kids Club for 6-9 year olds in the Sunday School wing during the sermon. Revolution Youth kicks off for Junior and Senior High students from 6-7:30 on Sunday evenings. All ages will be using the Faithweavers Curriculum. If you have questions about children's ministry please see Diane Colgate or Sharon Bunting; contact Amber Kusching concerning Revolution Youth.
