Photo Directory Update

UPDATE

- During this time of transition, we would like to update the photo directory. We think it would be helpful to get as many photos updated/entered into the directory as we can.
- Please help us help the congregation by taking a moment today to look at your directory info and make sure that your e-mail address, phone number and mailing address are correct. If your photo is outdated, see Cara to snap a quick picture or email/text her one. If you are not in the directory, we would love to have you

included-fill out one of the update sheets! ***You do not have to be a member of OBC in order to be included in the directory, if you are reading this, we want to include you!*** If you are a Team Captain (on Advisory Council) Cara needs an individual photo of you. We would appreciate 100% participation in this effort to update our records. If you would like a copy of the directory, just let Cara know and she can print you one.

**INFORMATION
NEEDED**

Calling all organizers/leaders!

The Next Steps Committee is working to gather information on all programs, events, groups, classes, etc. that are happening associated with our church. If you organize or lead something that is associated with the church (small groups, clothing collections, group outings, etc...) we're asking that you provide some basic information to the committee.

Please email Matt Gaehring (mgaehring@gmail.com) with any information you can think of, things like who is the event/group for (i.e. age range, married/single, etc?), when and where does the event/group meet (is it regular, periodic, random), who is the point of contact, and what is a brief synopsis of what the event/group/program is about (what is its purpose or missional statement). At this point, we cannot have too little information so please provide everything you can in whatever format you can **no later than March 15th**.

Thank you in advance for your help! –Matt Gaehring
