Candle lighting

(Piano music by Amelia & Matt Gaehring)

(The act of lighting candles and passing the flame symbolizes accepting and sharing the good news of Jesus' birth. The ushers will light the candle of the first worshiper in each pew. Please receive the light by tilting your unlit candle into the flame. Share by keeping your lit candle straight up. Children may have electric candles. Please place your candle and holder in the back of the church after the service.)

Silent Night (Hymn #186)
