If you have always wanted to dig like an archeologist, create like Leonardo da Vinci, or Scrap like Jeanette Mounce, have we got a project for you!!

Pastor Phyllis is planning an event to celebrate the church's anniversary. On June 2nd the church will be 119 years old. The celebration will be held on Sunday, June 4th and will be themed "Homecoming."

The best way to accomplish this is to form a historical committee to create ideas for a presentation. This could be in the form of a timeline, a scrapbook or any ideas that the committee comes up with. In addition, something that can be given as a memento from the church for all to take home. We want to have fun with it.

Much of the historical information has already been gathered by Jeanette, so there is a base to start with.

It is our hope to invite not just present members and friends, but those from the past as well, hence..."Homecoming."

If you are interested in becoming part of our Historical Committee, please contact the office at 856-854-8555.
