## **Memorial Day**

Memorial Day stands as one of the most solemn and heartfelt holidays in the United States—a day not just for backyard barbecues and family get-togethers, but for sacred remembrance. It is a national moment carved out to honor the brave men and women who laid down their lives in military service for the freedoms we so often take for granted. Behind every flag flying at half-mast is a story of courage, sacrifice, and selfless devotion to a cause greater than oneself. Behind every folded flag handed to a grieving family is a lifetime of memories, a legacy of valor, and a deep ache that words often fail to soothe. (Kelly Brown) So, in prayer this morning we remember that our inalienable rights of freedom have always been costly.

Dear God, today, on this Memorial Day, we honor and remember the brave souls who gave their lives in service to our country. May their sacrifice be a reminder of the high cost of freedom. We pray for their families and loved ones who live with the pain of loss and honor for their service. Please comfort them and grant them peace, knowing their loved ones' legacy of freedom and democracy lives on. Let us never forget their courage and dedication to your justice and righteousness. Thank you for the gift of their selfless service. Amen.
