September 21: “Experience The Dream”

September 15-October 15, 2024

It began as a week-long celebration in 1968 under President Johnson and was expanded to a month by President Reagan 20 years later in 1988. The month-long celebration provides more time to properly recognize the significant contributions Hispanic/Latino Americans have made in the United States.

Hispanic Heritage Month does not cover one single month but instead begins in the middle of September and ends in the middle of October. The timeframe of this month is significant because many Central American countries celebrate their independence days within these dates, beginning on September 15 with Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. By aligning with these independence dates, Hispanic Heritage Month honors the resilience and determination of the Hispanic community.

Key Independence Days celebrated within

Hispanic Heritage Month include:

- September 16 – Mexico
- September 18 – Chile
- September 21 - Belize

On September 21, 2024 between 11:00 am—3:00 pm we will hold a resource fair. This is the 2nd Annual MLK “Experience The Dream” event. This year will commemorate the incredible decisions made in the summer of 1964 with the passing of the Civil Rights Act. The Fair is designed to work in collaboration with the youth of our community and service organizations that promote youth.

The day’s events will begin inside the church, by highlighting presentations made by middle, high school students and college level youth. They will focus on the theme “Beyond The Dream—Youth Impact on the Movement.” Through these presentations, students will share their own visions and thoughts on how the world can take next steps towards greater equality and justice. This event will provide an opportunity for our community to come together and learn more about our youth’s voice in our current age.
