September 21: “Experience The Dream”

On September 21, 2024 between 11:00 am—3:00 pm we will hold a resource fair. This is the 2nd Annual MLK “Experience The Dream” event. This year will commemorate the incredible decisions made in the summer of 1964 with the passing of the Civil Rights Act. The Fair is designed to work in collaboration with the youth of our community and service organizations that promote youth.

The day’s events will begin inside the church, by highlighting presentations made by middle, high school students and college level youth. They will focus on the theme “Beyond The Dream—Youth Impact on the Movement.” Through these presentations, students will share their own visions and thoughts on how the world can take next steps towards greater equality and justice. This event will provide an opportunity for our community to come together and learn more about our youth’s voice in our current age.
